Co-Op Charting Workshop

P/C Michael Lebeduik III, JN

The District 5 Co-Op Charting Workshop was held Saturday, 3 May at the NOAA Facility in Norfolk, VA. It started at 0830 with introductions and announcements. Denise Gruccio welcomed us and gave us an update of NOAA projects and what to expect for the day.

Geodetics was presented by Dave Bernard and he also had the class do an on-sight field exercise of locating geodetic markers using the information learned in class, using the GPS, recording the marker, and taking a picture of it.

The next classes were on ATONS & Light List by John O'Reilly, Adopt A Chart by Steve Leishman and Coast Pilot by Connie Belt.
Bob Beltz finished the afternoon with Open CPN, Chart Navigator, MW Snap, Creating Labels, Down Load Charts, and CCWEB.

We all missed Norma Parish who takes care of all the registration and behind the scene duties that make the day run smoothly.

It was a very informative and well paced day. All the presenters deserve to be congratulated for a job well done. Now we need to take this back to our squadrons and put it to use.

Co-Op Charting Workshop

Ed's 50th Delhigh Anniversary and Delhigh's Annual Sock Burning Party

Lt/C Keith Knoblock, P

On Saturday, 18 April, at the Lebeduik's residence we had our Annual Sock Burning Party and also celebrated Ed Muschlitz' 50th Anniversary with Delhigh Power Squadron. It was a very nice day, with a breeze that caused a little problem cooking by blowing smoke from the grill into our grill master's, (Michael Lebeduik) eyes. That was easily remedied by relocating the grill. As always everyone contributed to the meal, by bringing a dessert or side dish, and again the food was awesome. Ed Muschlitz supplied a half chocolate and half white cake with a fruit filled center that was extremely rich and satisfying, along with vanilla ice cream.

As 50th Anniversary gift, Ed received a gift basket full of goodies to enjoy.

Michael fired up the fire in the burning pit and readied us for the sock burning by reading the meaning of the event. We all headed for the pit with socks in hand. Everyone put their socks into the fire, until Chris Brown saw his yellow socks and hesitated. He did not want to part with them, but all encouraged him to burn them. But alas he could not make up his mind so with the help of another member, who snatched them from his hand and tossed them in to the fire, his mind was made up. The flames rose higher and changed color as they burned. Chris stood there with a sad face and his head hanging low, and you could hear the faint sound of taps playing in the breeze. Of course everyone consoled Chris for his loss, in their own way. Ice cream and cake was served, and all enjoyed the evening, with camaraderie and laughs. Thank you all for joining us and making another Delhigh event a great success.

Beer Tasting Social Event

Lt/C Fernando Bothelo, P

A Delhigh social event (Beer Tasting and Dinner) was held on 26 April 2015. The venue was the Weyerbacher Brewing Company in Easton, PA.

A tour of the manufacturing facility was given that included historical facts about the company. The Weyerbacher name comes from a "beerified" version of the founder's last name - Dan and Sue Weirback. The brewery was originally located at the current site of the Two Rivers Brewing Company Restaurant in downtown Easton. Weyerbacher outgrew the original location and moved to its current location on Easton's Line Street. The current location allows them to brew more beer and also has room for a Bar and a visitor's reception area that includes a gift shop. An amusing anecdote from the tour was that at the original location they needed to tear down the bottling line at the end of the day to allow room for the visitor's reception and sampling of beers.

Immediately following the guided tour, we went to the bar and sampled some of their beers. The Weyerbacher Brewing Company specializes in higher alcohol content beers, many of which are called doubles or quads. This has to do with the amount of sugars added at the beginning of the brewing process, the more sugar, the higher the alcohol content in the final product.

After the beer sampling, we made our way to downtown Easton for dinner at the Two Rivers Brewing Company Restaurant at the corner of Northampton and Sixth streets. The restaurant specializes in foods with local ingredients. A very tasty dinner was served and afterwards we decided to call it a night.

9 May 2015 Brunch at the
Hometown Diner in Breinigsville

1st Lt Michelle Bothelo, P

A lovely breakfast on a Saturday Mother's Day weekend was attended by 9 friends.

We had a wonderful, friendly, outgoing and energetic waitress. The food was delicious. It was a nice way to start the day.

It was then followed by the *1st Time Chaser* and *Last Call* were put into the Lake at Blue Marsh . It is always exciting when the boats go out for the first time. It was even more thrilling when I saw a 12 year old drive Last Call for the first time. He did a wonderful job and looked so grown up for his age. The three hours went by so fast, it seemed we just launched the boats and we were trailing them back home.

Welcome new Delhigh Members!

Chris and Michelle Ellis

Safe Boating Week Activities

Beltzville Lake Cleanup

P/C Cyrus Nowroozani, JN

Delhigh held is annul clean up on 16 May. It was raining on our way up and during set up. We were hoping this would not impact the event or the amount of boaters we could provide vessel safety checks for. By 1000 the sun broke though. We launched *Last Call* with a crew of Lt/C Gary Corcoran, Vince, Oliver, and P/C Cyrus Nowroozani.

On our excursion we pulled out a full size tire, plastic bags caught in trees, styrofoam cups, and other floating waste that was harmful to the environment. I asked the boys from our previous clean up conversations if the remembered how long it takes plastic to degrade, "20 years," replied Oliver. "Over 100 years for Styrofoam," Vince added. "Plus it is bad for the fish," Oliver said.

Vince ran the lake for the first time with his brand new boating license! He was very excited when he took our American Boating Course, yet that was a distance second to hitting the water at the helm. Due to the weather earlier in the morning, we practically had the lake to ourselves and the water was glass. It was a great day on the water, especially for a new boater!

When we returned to the ramp, the vessel safety examiners were in full swing as boaters were starting to arrive. Commander Kathleen Nowroozani, P/C Mike Lebeduik, and Lt/C Keith Knoblock conducted nine vessel checks. Nikki Lebeduik captured photos of everyone having fun and giving back.

After the event we went to Joey B's for lunch as a group. It was a great day on the water with friends and family promoting safety and supporting the environment and community.

Come join Delhigh for our

3rd Annual Ice Cream Social

Come to the Nowroozani pool

Tuesday, 2 June 2015

1800

Bring your favorite flavor of ice cream

We'll supply the bowls, spoons and toppings!

Feel free to bring your swimsuits and towels and go for a swim!

Please RSVP to Kathy at

k.now@mac.com

So that we know how much chocolate and caramel we'll need!

P/C Stemrich's Birthday Bash and BBQ

At the Stemrich's Residence

Saturday, 6 June 2015

1700

Hot Dogs, Cheeseburgers and

BBQ'd Chicken Provided

Please bring a side dish or dessert to share!

Also feel free to bring your swimsuit and a towel if you would like to jump in the hot tub!

Please RSVP to Cam at

September
Meeting and Chili Cook-off!
Wednesday, 2 September 2015
1830 at Holy Trinity Church in Bethlehem
Commander Kathleen Nowroozani will be judging only 1st, 2nd and 3rd best!
Commander will be providing garlic bread so bring your favorite chili recipe or find a new one and bring it on by .

Commander's Corner

Cdr Kathleen Nowroozani, JN

Thank goodness that summer is finally here! We certainly deserve it after all of the snow-storms kept us in the house many a Monday morning this winter!

Congratulations to all of you who have boats that are, or have been, in the water already this year! This is the best time for us all as boaters, so let's enjoy the warm weather, the smell of the water and our boating friends!

I was so excited to see how many of you attended this year's sock burning; those of you who were there to celebrate the 50th Anniversary of member Ed Muschlitz! It was so wonderful to honor a member who is as active as Flag Lieutenant Ed Muschlitz is after giving us 50 years of dedicated service! I hope to be around long enough to attend many more 50 year celebrations and I hope that several of you are around for mine!

We at Delhigh have had a great spring! We had 2 large ABC classes and I am so proud of the way that Delhigh pulled together to work at wooing the students in to becoming new members! I think that all of the new ideas that we implemented in this most recent class worked great and I am excited to try them out again at the ABC classes this fall! I look forward to swearing in many new members just like we did with Chris and Michelle Ellis at the April meeting!

I am getting excited for the upcoming Delhigh events on our calendar over the next few months, hope to see you all in your shorts and boat shoes very soon!

Reaching for the Stars

2015 - 2016

Executive Officers Report

Lt/C Kim Karaman, S

Hi, hope you all are ready to enjoy a fun filled and safe, summer-weather boating or just being with family or friends.

Here is a list of D/5 Events Scheduled for June and July:

Practice Navigation Contest. Pleasure Cove Marina, Pasadena, MD. 19-21 July 2015.

South Bound Cruise. Emporium Rock Hall, MD. 17 and 18 July 2015.

D/5 Summer Council and Rendezvous, 24-26 July 2015.

There were 9 Vessel Safety checks performed at the Beltzville Cleanup.

Delhigh's Summer Rendezvous, will take place in St Michaels, Md. The Best Western Hotel will ONLY hold rooms until Monday, 25 May 2015. If you are bringing a boat and want to reserve a slip, we need the size of your boat ASAP, so we can inform the Yacht Club. All details, itineraries, included the reservation form, are in this issue of Delhighlights. Hope to see you there.

DISTINCTIVE COMMUNICATOR 2014 Website

DISTINCTIVE COMMUNICATOR 2014 Newsletter

Educational Officer's Report
Lt/C Doug Mckenzie, JN

The boating season has FINALLY gotten here! Hopefully, you have your boat all polished and ready to go by now! Now is the time to put into practice all the things you learned in the classes you've taken with the United States Power Squadrons! To help refresh your memory, I'd like to point out a new mobile app the US Coast Guard is releasing during Safe Boating Week, 16-22 May. Features of the app include: state boating information; a safety equipment checklist; free boating safety check requests; navigation rules; float plans; and calling features to report pollution or suspicious activity. When location services are enabled, users can receive the latest weather reports from the closest National Oceanic and Atmospheric Administration weather buoys as well as report the location of a hazard on the water. These are just a few of the helpful things this app will have right on your phone or tablet.

Delhigh has taught two ABC classes this year with 42 students graduating! We are looking forward to a full Seamanship class this fall!

Our Advanced Piloting class is coming into the home stretch, just a few weeks and we'll be done with four new AP members!

USPS has made three seminars available for online instruction. They are Weather for Boaters, Partner in Command, and Boating on Rivers, Locks, and Lakes. These seminars can be taken at your convenience, and I encourage you all to give them a look and spread the word about them to your friends.

Hope you all enjoy this boating season, stay safe, and spread the word about The United States Power Squadrons to your friends!

ADMINISTRATIVE OFFICER'S REPORT
Lt/C Keith Knoblach, P

Thanks to all who attended The Sock Burning and Ed Muschlitz 50th Year Anniversary Party, on Saturday, 18 April 2015. Thank you ,too, Michael, and Nikki Lebeduik, for hosting the party at their residence. In all we had 20 attend the party.

The Beer Tasting and Dinner, on Sunday 26 April 2015, had 3 attendees. The beer tasting was at Weyerbacher Brewery, and dinner was at Two Rivers Brewing Company, both located in Easton Pa. Thank you to those who attended.

Brunch, Saturday, 9 May 2015, at Hometown Diner, in Breinigsville, Pa., was attended by 8 members and family. The weather was cooperative and 8 members and family trailered their boat to Blue Marsh Lake to enjoy a day on the water

Beltzville Lake Cleanup and VSC and Lunch was held 16 May 2015, with lunch at Joey'Bs in Palmerton. Thank you to all who helped cleanup around the lake, and performed Vessel Safety Checks.

An Ice Cream Social, will be held Tuesday, 2 June 2015, 1800 at the Nowroozani residence pool. Bring your favorite ice cream to share with all. Toppings will be provided.

P/C Joe Stemrich's Birthday BBQ, will be held Saturday ,6 June 2015, 1700, at The Stemrich residence. Please bring a side dish or dessert to share.

The July Monthly Meeting, will be held Tuesday, 7 July 2015, 1805, at Coca Cola Park. A porch has been reserved for us, with food and drink (and a dry seat) provided. The cost is $37.00 per person. Come out and see the Iron Pigs play the Pawtucket Red Sox. Please RSVP Keith Knoblach, at Keithk56@aol.com, or call or text 610-509-3526. Money must be paid by Tuesday 2 June 2015. Feel free to invite your friends and family.

A Social Hour will be held, Tuesday 21 July 2015, hosted by the Botelho's at their residence.

The August Poolside Meeting and BBQ, will be held Wednesday, 5 August 2015, 1800,at the Nowroozani Pool. Please bring a side dish or dessert to be enjoyed by all. Don't forget your bathing suits.

Join us for Musikfest Mania, Wednesday, 12 August 2015, 1800. We will meet in front of Hotel Bethlehem, and meander to Musikfest.

September's Meeting and Chili Cook Off, will be held Wednesday, 2 September 2015, 1830, at Holy Trinity Church, Bethlehem, Pa. Bring your favorite Chili to be enjoyed by all, and be tasted by our judges.

There will be either a Board Game Night or Hayride, Saturday 19 September 2015. Details TBA.

VESSEL SAFETY CORNER

P/C Michael Lebeduik III,

I have been at various marinas along the Chesapeake in the last month and saw shrink wrapped boats on stands waiting to be brought back to life for the new boating season. I must say that the time has come to remove the shrink wrap, wash down the hulls and gunnels, polish the hulls, bottom paint, check the engines and we could go on and on.

While you were getting your boat ready for the first run of the season, we hope you paid attention to the items needed to pass a Vessel Safety Check.

Our mission as Vessel Safety Examiners is to bring everyone into compliance with state and federal regulations by educating the public one boat at a time. By having your vessel inspected and receiving and displaying a VSC Decal, you are showing law enforcement you are in compliance.

If you feel your boat is ready to have a VSC please contact one of our Squadron Vessel Safety Examiners.

Have a Safe Boating Season.

Life jacket once-over

Prep your inflatable life jackets for the season

With their small size, inflatable life jackets keep you cool on a hot day; allow you to freely move around the boat, cast a line or raise sail; and come in a variety of belt and harness styles.

While inflatables have a reputation for comfort, they require a little preparation that's best done at least a day before your first outing. Here's a quick five-step prep for your **inflatable life jacket**:

Open it up and look. Gently open the life jacket, usually by pulling apart any Velcro covers or flaps, and then unfold. This thin-walled bladder could be the only thing keeping your head above water, so take your time looking for any tears or abrasions, and check the waist strap and buckles.

Remove the cartridge. Unscrew the CO2 cartridge and ensure it hasn't been discharged, sometimes indicated by a small puncture in the center of the threaded end. Check the cartridge and inflation mechanism for corrosion. Some inflator mechanisms have a little pill or bobbin that dissolves in water allowing for automatic inflation. It should be in good shape. If not, purchase a rearming kit. Some inflators will have a green ready-to-go indicator.

Blow up the life jacket. Using your mouth, blow into the manual inflation tube found on the upper left front of the life jacket. This tube may also be used as a back up to fill the jacket with air, so familiarize yourself with how it works.

Get busy. Go wax the boat, organize a tackle box or do some other busy work while you leave the fully inflated life jacket alone for 24 hours.

Recheck the jacket. If the life jacket still holds air, deflate and repack according to the instructions, which can usually be found on an inside flap.

You can watch videos instructing you on how to inspect and repack belt pack and harness-style inflatable life jackets at **BoatUS.org/Inflatables**. *–BoatUS*

NORTHERN CHESAPEAKE BAY RENDEZVOUS &
PRACTICE NAVIGATION CONTEST
June 19th-21st
Sharpen your Skills and Have A Lot of Fun!

This will be an ALL-NEW and IMPROVED Navigation Contest.

UNITED STATES POWER SQUADRONS®

DISTRICT 5 CRUISE

District 5 Delmarva Circumnavigation Cruise To

Summer Council & Rendezvous

17 July 23 July, 2015

The Circumnavigation Cruise will be led by Stf/Cdr Alan Karpas, JN-CN from the Rockville Squadron

17 - 19 July*: Join the D/5 Southbound Cruisers at Sailing Emporium, Rock Hall, MD

19 July: Depart Rock Hall for Delaware City Marina - 54.5 nm

20 – 21 July: Depart DE City Marina for overnight sail to Cape Charles Town Harbor, Cape Charles,

MD – 192 nm

July 22 – July 23: Depart Cape Charles for overnight sail to Holiday Inn & Marina, Solomons, MD – 74.7 nm

* Vessels may join the cruise on 19 July at Delaware City Marina

This cruise is open for any D5 member wanting to experience overnight cruising. If you want to take your own boat, it must have a current VSC sticker, paper charts covering the cruising area, at least one DSC enabled VHF radio connected to a GPS and programmed with your MMSI number, a backup VHF radio (handheld is acceptable) a chartplotter and a backup GPS (handheld is acceptable). Radar and AIS are desirable, but not required.

All captains must have obtained the AP rating. Each boat should have sufficient competent crew to stand an overnight watch.

Members of D5 who might want to crew on one of the boats should submit their names to Alan Karpas – alankarpas@verizon.net - and he will assign them to vessels short of crew.

Members interested in participating in the cruise should contact P/D/C Bernie Karpers, D5 Summer Cruise Director, at **kskbskok@verizon.net** – 410-456-5534. Send Boat Name, LOA, Beam, Draft, Electrical Power Requirements, Sail or Power vessel.

Come for the Boating Education...Stay for the Friends℠

UNITED STATES POWER SQUADRONS
NATIONAL NEWS

Greetings All!

Excitement is building for our San Diego Governing Board 23-30 August. The venue is terrific and the hotel beautiful. We're on the water, close to shops, restaurants, and museums. Best of all, our agenda is jammed packed, fun, and worth the trip.

National meetings are for everyone. We'll renew old friendships and forge new ones. We'll learn some, do a little business, and have a lot of fun. San Diego is a wonderful place and full of opportunities.

From the keynote breakfast, to the seminars, to the business session on Saturday, you'll have the chance to meet our partners, our volunteers, and our staff and come back refreshed, recharged, and ready to help your squadron succeed. Come Fall for San Diego! I hope to see you there!

Chief Commander Robert Baldridge, SN

Positions Available

If you are seeking a position to educate and meet new people, work at your own pace, set your own hours, have a yearly repeat client base, get easy referrals, see immediate results, and know that you are making a difference - become a Vessel Safety Examiner!

Anyone interested in becoming a Vessel Safety Examiner or interested in becoming the Assistant or VSC Chairman for Delhigh, please contact:

P/C Michael Lebeduik III,JN at (610) - 691-3348
or email at: **TJA.ML3@verizon.net**

Completing 10 VSC's earns you a yearly salary of one (1) Merit Mark, and the satisfaction of being involved in your squadron.
