At dawn on July 26, 2010, dew on the empty fields shimmers in the growing daylight. And then ... here they come! By noon, throngs of Scouts are carrying gear and tents, and gateways begin to emerge from the empty ground. By dusk, the landscape has been transformed into a bustling city of 18,000 tents, 3,600 patrol kitchens and 43,000 Scouts and leaders. This transformation occurs in mere hours, making Jamboree City the fastest growing city in Virginia, if not the world.
