## August Monthly Meeting / Iron Pigs Game

By Nikki Lebeduik

Just like years past, our August meeting was at Coca-Cola Park. We enjoyed a exciting game of the Lehigh Valley Iron Pigs vs. Pawtucket Red Sox with good food and great friends.

What made the game so exciting was that there was a Red Sox fan among our members (I shall not reveal thy name) who I personally enjoyed picking on as the Iron Pigs took the lead.

Not only was I able to enjoy this victory, I also got the chance to accompany Vince Nowroozani (son of Lt/C Cyrus and Lt/C Kathleen Nowroozani), to the field to throw the first pitch. Vince was a little nervous but he held his ground and did a great job.

After all that pressure was over, back to the picnic pavilion we went for hotdogs, hamburgers and all the rest of the goodies they had for us to eat.

All in all (and despite the rain shower) it was a great turn out, great food, and a great victory. Better luck next year to our Red Sox fan.

## September 2012 Delhigh Meeting

### NORTHAMPTON WATER RESCUE DIVE UNIT

**By P/C Michael Lebeduik III**

In 1998, the Northampton Fire Department acquired the Water Rescue Dive Unit from the now Northampton Regional EMS and began to build a team. Today this team consists of eight divers and ten water rescue/ support personnel. They currently operate a GMC Suburban rescue truck and two boats.

The September meeting featured speakers from both the Northampton Fire Department and the Water Rescue Dive Unit. Captain Mike Booke of the Water Rescue Dive Unit, and Captain Keith Knoblach, II, of the Northampton Fire Company, gave a presentation on water rescue.

Captain Booke told us about the Unit's participation in assisting not only in Northampton County but counties within a 30 mile radius. They travel wherever they are requested, for whatever type of operation is needed. The Unit has helped rescue individuals sitting on roof tops or hanging onto trees in flooded areas, recovered evidence for law enforcement and (an always unpleasant task) searched for drowning victims.

Capt. Booke said a lot of victims drown in three feet or less of water. Panic is what takes over and they lose sense of how to help save themselves. Lakes, rivers, and quarries in this and surrounding areas keep Capt. Booke and the dive team on their toes. They also assist and work with approximately nine other Dive Units in the area. Most units are certified in a specialized area. The individuals who make up these units are continually being educated and certified not only in water rescue but in the constant changing technology and equipment world of rescue.

Captain Booke and Captain Knoblach answered questions from the membership and we then proceeded outside to see the rescue dive team's equipment and an on-land demonstration.

The equipment ranged from scuba tanks, weights, air lines, and ropes with makers. The on-land demonstration/ presentation included use of hand signals, working in pairs for safety, and the use of their 15 feet Zodiac inflatable boat with Honda engine and much more.

Capt. Booke, Capt. Knoblach and the men and women who devote their time to keep us safe and come to our aid in time of need are all non-paid dedicated volunteers who believe in what they do. I have always had respect for our volunteer fireman and water rescue teams but this presentation has taken that respect to a whole different level.

Delhigh Power Squadron thanks both Capt. Booke and Capt. Knoblach for their outstanding presentation. Photos taken that night follow below and on page 5.

## Adventures of Nikki & Michael

### *Pirates and Wenches Weekend*

It's time to share another adventure.

Nikki and I heard about an event last year called "Pirates and Wenches Fantasy Weekend," that takes place the first weekend in August (Friday to Sunday) in Rock Hall, Maryland. This was the 5<sup>th</sup> Annual Event.

After speaking with some local residents, we soon realized this would be a fun event to attend. We began to plan in February 2012. We found out very quickly that reservations must be made almost a year in advance to assure you have accommodations for the weekend.

Nikki and I got there Friday night and had enough time to mingle with some of the pirates and wenches. Saturday morning, dressed as a pirates, complete with my parrot Jack, we were off to capture our first vessel. Traveling by way of a 'land vessel' (our car), we cautiously boarded our target, **One Moor Time**. Undetected by the captain and crew, we opened the hatch and "ARRRRGH matey", ordered Captain Brown and 1<sup>st</sup> Mate Ginny topside to walk the plank. We had successfully taken over the vessel.

Now it was time to go to the harbor side for more of the day events. There was the Rum Tasting at the Inn At Osprey Point, the Sea Shanty-Sing-a-Long at Bay Wolf Restaurant, free concerts on Main Street as well at the local eateries on the Bay. The Pirate Dingy Race was the next event.

Captain Black and the Valhallas Pirates did an outstanding encampment performance about how the pirates lived and sailed the seas. Loading black powder rifles, flint lock hand guns and firing cannons kept everyone's attention. Everyone dressed as in the day of the pirate. The event was well planned and spread out so everything could be enjoyed by all.

We had the opportunity to meet quite a few couples and individuals who dressed the part of a pirate or wench. The weekend has something for everyone. Kids went to the beach and dug for buried treasure, there was a Pirates Dingy Race, vendors in town, great grub and most of all the common interest in pirates.

The day now over it was time to retreat to our quarters to change into our best attire for the Pirates and Wenches Ball and for some grub & grog. Music played, contests were held --of the ugliest and scariest pirate and Graybeard look alike. I was selected to participate in the Graybeard Look Alike Contest. On the up side I came in tied for 3<sup>rd</sup> place. On the down side there were only four contestants. The evening ended with the crowning of the best dressed pirate & wench as the 2012 King and Queen. Photos of this great event are on the next page.

This was truly a relaxing, fun, and educational weekend. We are looking forward to next year.

Until our next adventure,

Nikki

and

Michael

PIRATES AND WENCHES WEEKEND

ROCK HALL, MD

## D/5 Sail Regatta, Fishing Tournament & Fall Festival

The D/5 Sail Regatta was held at Mears Point Marina & Kent Island Yacht Club in Kent Narrows, Md., 21 – 23 September. It was hosted by Kent Narrows Squadron. The weather the entire weekend was perfect for sailing and being outdoors. Nearly 100 individuals from Annapolis, Cambridge, Delhigh, Dundalk, Kent Narrows, Kingsway, Mid-Potomac, Patapsco River, Patuxent River, Potomac River, Rockville and Susquehanock Squadrons attended the event. Travelers came by car and by water, 15 boats and crew came together from District 5.

Friday a pitch-in Welcome-to-Kent Narrows-Party at Mears Pavilion kicked off the weekend. The selection of hors d'oeuvres and dishes to share was amazing. The atmosphere was full of excitement for the events of the next day, as old and new friends from twelve squadrons reunited, talked and laughed, bring each other up to date on what was going on in their lives. The sunset led us into dinner at one of eight great area restaurants.

Saturday started with an awesome breakfast at Mears Pavilion, again hosted by Kent Narrows Squadron which also became a pitch-in breakfast as members of D/5 brought contributions to breakfast. Immediately following breakfast the captains' meeting was held. Instructions and rules for the regatta were given by D/F/Lt Jon Van Winkle. Now it was time for captains and crew to get ready for the start of the race. I had the honor of crewing on my very close friends, Paul and Monica Geppert's sailboat, *MOONSHADOW*, (a Tanya, Vancouver 42' vessel).

There were eight boats competing. In the monohull division, *ISLAND TIME* (a 47' Beneteau), captained by John Locke of Kent Narrows captured first place. Second place went to *HIDEAWAY* (a 50' Beneteau) captained by Alan Karpas of Rockville and third place went to *MAMA CRANE* (a 38' C and C) captained by Julian Hofberg. In the multihull division, *LUX*, (a 40' Leopard) captained by Terry Slattery of Annapolis took first place. In every race there must be that strong individual who must hold up the rest (came in last place), *ASCLEPIUS*, (a 34' Gemini) retained the Broken-Mast Award for the second consecutive year. Oh, by the way, *MOONSHADOW* came in seventh, just good enough NOT to receive the Broken-Mast Award. (I'm sure Paul & Monica were glad I was part of their crew – no telling what position they would have place if I hadn't helped.)

The Fishing Tournament was chaired by P/D/C Bernie Karpers. Kent Narrows pro, P/C Mark Galasso, added a new dimension with fishing instructions. The Largest Fish Award went to Leo Peter aboard *AFTER HOURS II* captained by Bernie Karpers. The Most Fish Award was presented to Jen Delgarno for the most fish caught on a single hook aboard *JENNY LYNN TOO* captained by Cdr Steve Delgarno. The Best Fish Story Award went to Mark Galasso, captain of *TUNA THE TIDE*, for a true adventure in fishing in the wake of 9/11.

Some individuals who choose not to participate in racing or fishing made beautiful center pieces for the Saturday evening awards banquet at Kent Island Yacht Club. Filet mignon, jumbo crab cakes and chicken roulade were entrée choices and a "KNSPS Regatta" cake for dessert. At the end of the evening the center pieces were donated to Hospice of Queen Anne's County.

Sunday morning's breakfast was again superb and featured charcoal-broiled fresh fish caught in the Tournament; broiled by our own, XO, D/Lt/C Marty Lafferty and seasoned to perfection by Kathy Karpers. What a feast!!!!

KNSPS Cdr Sari Lafferty gave special commendation to Event Chair D/Lt Joan Yeigh and D/Lt Carole Tulip, Event Treasurer. Cdr Lafferty also recognized many individuals who participated in making this the best D/5 Sail Regatta and Fall Festival I have attended.

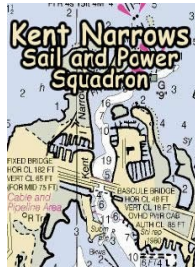

I would like to thank, D/Lt/C Marty and Cdr Sari Lafferty for their generous hospitality, allowing me to stay at their home for the weekend while attending this event.

Kent Narrows Squadron hosted a first class event.

Some great pictures are on the following page and also on the Delhigh Power Squadron group on Facebook.

# 2012 D/5 SAIL REGATTA

## CREWING ABOARD MOONSHADOW

*By Michael Lebeduik, III*

The D/5 Sail Regatta had seasoned sail boaters and maybe a few rusty crewmembers who have participated in sail racing in previous years and then there was ---- me.

It takes skill, knowledge of your vessel, knowing how to read the wind and water and a determination to win. All of the captains and crew had all and more of these ingredients to participate in this event.

I was very fortunate to crew on my very close friends, Paul and Monica Geppert's sail boat, *MOONSHADOW*, (a Tayana, Vancouver 42' vessel). I had never crewed for a race, let alone sailed on a sailboat. I took the sail courses and passed, went to Havre de Grace to get a close-up look at how the parts, lines and terminology all came together. WOW, a lot of stuff to know to make the boat go forward and not fall over on its side.

Saturday morning after breakfast, the Captains' Meeting was held. The instructions and rules were given by D/F/Lt Jon Van Winkle. Questions were answered and we were off to the starting line.

Paul and Monica tried to refresh my memory as to what the lines were and their use as we departed the dock and headed for the start line. The traveler line, line clutch, winch, red line, white line, blue line, blocks, winch crank, watch the sail, catch the wind and more. 'Yup', I got it!

I was a green-horn to the sailboat world and Paul and Monica took me under their wing, (more like both arms.) They guided and assisted me in what to do in a race. They were very calm and understanding....

*"Michael!!! – pull — pull --- **pull!!** — crank ----crank harder ---**crank harder!!** --- good job."* I looked for oxygen after what was just the first practice tack. Now it was time to do practice tack two. Captain Paul gave the order, 'READY', our reply was, "READY... WAIT..... wait.....wait..... NOW!" I released the line from the winch, *"Michael, faster, **more line, faster,**"* as Monica pulled, pulled and cranked until the sail was just right. we got a "good job" from the Captain. By the fourth practice tack I got the hang of it.

Now for the real thing. We were doing pretty well. Then on one of the tacks, I didn't get the sail on the port side fast enough. Yup, we lost the wind. Paul and Monica got us back up to speed as I tried blowing into the sail to help. As we finally got to Red 8 and made the turn, it seemed like we traveled twenty miles. Not even close. Now it was time to head back to the Committee Boat and cross the finish line. It was a different ride back, pleasant, nice wind, sunny, and very relaxed. All that was left was to dock and get ready for the awards banquet.

The dinner was excellent. The awards were presented and we found out we came in seventh place out of eight boats. Paul and Monica could not have come in seventh place without my help. (Most likely a lot closer to the top.)

I want to thank Paul and Monica for giving me the opportunity not only to sail with them but to allow me to crew *MOONSHADOW* in the regatta. They are truly great friends and very knowledgeable and experienced sail boaters. To watch them work together and listen to their conversation about what to do next was amazing, they are truly a great team. They have given me a new outlook and respect for sailboaters.

Thanks for the memories, guys.

"WHEW, WE MADE IT"

The July meeting at the Nowroozani's home and pool was wet and wild. Since we were in the heart of boating season there was not much Delhigh activity, however the D/5 Summer Rendezvous was held at Inner Harbor in Baltimore, Maryland. Since I was unable to attend, I know that P/D/C L. Chris Brown and his wife P/C Ginny Brown, P/C Brent Roads and his wife Jane, P/C Mike Lebeduik and his wife Nikki represented Delhigh well.

The 1 August Event at the Iron Pigs game was well attended by 29 Delhigh members and friends. Lt/C Cyrus and Lt/C Kathleen Nowroozani made sure everything went smoothly and our seats were as close to third base as anyone in the PPL Pavilion could get.

Camilla and I also attended the annual picnic at the home of Brad and Megan Humphrey, they are the XO and AO respectively of the Kingsway Power and Sail Squadron.

Camilla and I are planning to attend the D/5 Fall Educational Conference in Gettysburg, Pa. 2-4 November, 2012. If you are planning to attend please let me know so we can plan the Commander's reception.

Did you complete your D/5 electronic member survey? The district really needs your input, and after all it is our district. IF YOU HAVE NOT COMPLETED IT YET PLEASE DO SO, it only takes a few minutes and it is easy online.

I am sorry to report that long time member Bob Hannabery has notified the bridge that he will not be renewing his membership. He has served our squadron well as AO, SEO, Webmaster and IT contact, and has been a teacher of several levels of classes. He has also served at the district level. We wish him well and he will be missed. He states his reason for leaving as "other interests and commitments that require his time." The good news is that one of our newest members, Fernando Botelho, has agreed to step in and take over for Bob as our IT Contact and Webmaster. I hope that I have completed all of the necessary paper work and the transition has been smooth.

Our next event is the Oktoberfest covered dish social at the Lebeduik's house Saturday 13 October 2012 at 1700 hours. The ever popular Road Rally is scheduled for 10 November, 2012. P/C Mike Lebeduik always puts together an exciting Land Navigation Contest and it gets more popular and larger every year, so get your friends together for this full day of fun.

Our Holiday Party is not that far away so get your reservations into AO Lt/C Kathleen Nowroozani and DON'T WAIT UNTIL THE LAST minute. More information and the registration form can be found in this issue.

SEO Lt/C Doug McKenzie has new ABC classes, seminars and for members who want to advance there is a Seamanship class scheduled. See his SEO report in this issue of the Delhighlights for more information.

Finally I would like to say we would like to bring in some new members. Talk to your friends who enjoy boating and remind them that boat ownership is not a requirement to join the Delhigh Power Squadron. Encourage them to sign up for a Safe Boating Course just so they know what to do out on the water while they are on your boat. Maybe it will help them decide to get a boat of their own.

### **Boat, Camping Shows, and Parades:**

With the leaves are starting to turn, thoughts about the last few runs before you take your boat out for the winter come much quicker than most would like. Below are a few events that may peak your interest until the first launch of spring 2013. Not a lot going on this fall in our area, yet quite a few things happening Feb. and March.

#### **2012 Events:**

11-14 Oct. West Virginia RV & Boat Show Mylan Park Expo Center, Morgantown, WV

#### **2013 Events:**

25-27 Jan., Fredericksburg Boat and Water Lifestyle Expo @ Fredericksburg Expo Center

2-10 Feb., Eastern Sports & Outdoor Show @ State Farm Show Complex Harrisburg PA

16-19 Feb., Greater Philadelphia Outdoor Sportshow @ Philadelphia Expo Center

2-3 March, Lehigh Valley Sportsman Show 1825 Chew St, Allentown PA 10am-4pm

8-10, March, Greater Philadelphia Boat Show @ Philadelphia Expo Center

TBD, 2013 Pittsburg Boat Show

#### **Co-op Charting:**

D5 has maintained a unique, first class Cooperative Charting Workshop for years. While individual programs have come and gone our dedication to bringing you the best has continued.

Initial information will be provided at Fall Conference—Spring Conference will provide phase two. Summer Council will be the chance for you to show off your squadron's success—and a very special surprise for those that have participated in the Cooperative Charting Opportunity.

### **Safety Officer:**

As of 9/28, D5 has had 2500 Vessel Safety Exams (VSE) of which 2242 have passed. Nationally, we are the second highest district by volume.

Credit for Vessel Safety Checks will be cut off on 30 November 2012 to allow compilation for awards for District, Squadron and Individuals. This will not be adjusted for anyone. Get those VEs into the system ON OR BEFORE 30 NOV 2012.

### ***DELHIGH'S DAILY NUMBER LOTTERY***

***Eileen Muschlitz and Cam Stemrich report that participation was very low this year with only 52 tickets sold.***

***There were no winners.***

Ahoy Mates!

Your Delhigh Education Department has a busy fall line up of classes scheduled! We are offering the ABC class on Sat, 20 October and 27 October at Peters Marine in Allentown from 0900 to 1300 both days. There are also ABC classes scheduled for 1 and 8 December, 16 and 23 March and 6 and 13 April.

We will finally be teaching Seamanship starting on Thursday, 25 October and continuing for 8 weeks. This class has been delayed a few times and I am very excited to be finally running this class!

Delhigh hasn't offered the Navigation class in a few years so I'm really happy that we will be starting a new Navigation class on Tuesday, 23 October. May God help us all!

We have two seminars planned for this fall also. Trailing Your Boat on 3 November and GPS on 10 November both at Peters Marine from 1000 to 1200.

We are still trying to find time to run the Cruise Planning class this year.

I want to encourage you all to get your friends together and take some classes this year! It's a great way to learn about our favorite pastime and have some fun at the same time!

The chance for mistakes is about equal to the number of crew squared.

## ADMINISTRATIVE OFFICER

Lt/C Kathleen Nowroozani, JN

It was a great summer! A little rainy, but what boater lets that stop them for long?!? We've reunited with our boats and our summer friends and nature, and where did the summer go again exactly? Seems that summer is over before it has a chance to start every year, but another summer has come and gone. Weekends are starting to include football games after boating activities, and soon it will be so cold that we'll just be staying home and watching football... again!

So what happens to all of our boating friends and how do we stay connected? Perhaps it's time to take a boating class or join in the new Oktoberfest Social! Our Social will not include a meeting this year, just a potluck and get together to see some long lost friends and make some new friends! And how, you ask, do we bring in new friends? Maybe they'd like to join you for the Annual Road Rally on November 10! Or bring them along for the Oktoberfest Social on October 13! They don't need to ever have been on a boat for those events, but if you're looking for some new crew members, there's always Delhigh's ABC Boating Course being offered two consecutive Saturdays in October at Peter's Marine!

There are so many activities coming up that Delhigh would love to have you and your friends attend! Find one that suits you and join in! Information on all of these events is available via our website or you can always email any bridge member! Please remember, we're always looking for new ideas and fun ways to get together, so don't hesitate to contact us if you think of something that you'd like to see on our calendar! Hope to see you all at an event soon!

## VESSEL SAFETY CORNER

P/C M. Lebeduik, III

Once again another boating season is winding down. The season goes by so quickly. I remember just a few weeks (ok, months) ago writing an article about taking the shrink wrap off your vessels. Soon most the boats will start to be put to rest for a winter nap. Shrink wrap, winterized, equipment stowed, and all the final preparations to make opening in spring easier.

Now is a good time to take a close look at your State and Federal Regulations and safety items. Review the list of items found on your VSC Checklist, given to you by your Vessel Safety Examiner upon completing the VSC.

Did you receive a Decal? Thank you for taking the time to be safe and be in compliance with State and Federal regulations. If you did not receive a Decal, did you correct the item or items? You have a few months to get things ready for your Vessel Safety Check in spring so you can display your new 2013 VSC Decal.

This is also a good time to think about which course you want to take to enhance your boating knowledge. Look at it this way, how do you want to spend your time in cold weather..... watching 258 channels of nothing good on TV... falling asleep on that favorite chair, or taking a class to keep you up to date with all the new things happening in the boating world. It's your call.

Vessel Examiners, PLEASE, send your completed forms to me so they can be logged in with National. It's that time of year for National to compile all the VSC information. The deadline for me to log in all forms is 17 November 2012. I will also be contacting the VSE's to find out the status of their PFD supplied to us by the USCG. I must complete the form and send this information in by 15 November 2012.

**SAFETY ON THE WATER IS UP TO YOU!!**

## I've Been Missing Someone

By P/C Mike Lebeduik, III

I've waited since March of this year for a missing person to come back and share views and knowledge of life at sea. This person was at times an advisor, mentor, always full of wisdom and told it like it is. By now you are wondering or better still, you know, who I'm referring to because this person talked with sincerity and experience. He sometimes made us laugh and other times really made a point that made us think.

I'll give you a hint – it's a gruff-looking old salt.

If you have given up, maybe the picture of him below will help jog your memory.

## The Lamp- master

Has anyone seen him? Does anyone know if he is alright? Would you like to see more, "Swinging the Lamp" articles? I would!! I for one really miss this gruff-looking old salt.

The last time we heard from him, he said, "As for me, I's just gonna crawl into a hole an sleep all winter; yea right, 'like she who must be obeyed', would let that happen."

Well, it's almost winter again and I sure would like to know if the 'Lampmaster' was alright.

I would really feel good if he would let Delhigh know he is ok and will at some point in time come back, "Swinging the Lamp."

**Delhigh's Land Navigation Contest**  
**The 17th Annual Fall Road Rally**  
**10 November 2012**  
*\*----Rain or Shine----\**

If you have never been on one of our Road Rallies before, you have no idea what you have been missing. Attendance of the Rally keeps growing.

**This is not a race.**

It is a day spent with your family, a spouse, a friend, or a companion, for a drive on roads that you would probably never think to travel.

Please invite your friends. The more entries we have makes for a more enjoyable day.

The object is to follow the directions, look for a few pictures along the way, answer a few questions and just enjoy the day and the scenery.

*\*\*\* It is suggested that there are three or more individuals in the vehicle to locate pictures and answer questions.*

**It will start at John's Plain & Fancy Diner, 50 South West End Blvd., Quakertown, PA, 18951 (on Rt. 309, just south of Rt. 663, after Wendy's at Trainer's Corner)**

Phone: (215)-536-3290, where we will meet for breakfast to get our instructions and rally packets.

(Breakfast is on your own or just be there before the instruction time.)

Breakfast will start at 9:30 - 9:45 AM, instructions will start at 10:20 AM.

*\*\*\*PLEASE be at the diner by 10:10 AM before the instructions start.*

First car out will start approximately 10:45 am – 11:00 am.

Find your way to the half way point, turn in your first set of instructions and receive your second half of instructions to get you to the final destination for dinner.

We will end at a place to enjoy good food, have fun, and share good fellowship.

Prizes will be awarded for 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, and last place. There will also be a raffle.

This year will be a Buffet Dinner ending the rally! Dinner will be served approximately 5:00 PM

I'm positive everyone will be pleased.

All of our past rallies have proven to be a world of fun, enjoyment, and a challenge for the driver and his partner, called the "Navigator". Communication between driver and navigator is a plus. (Ask any anyone who has attended.)

It's simple. **Follow the directions; know right, left and how to count! Just enjoy!!!**

We are looking forward to seeing everyone again.
