

As the Administrative Officer for District 5, it has been my pleasure and honor to attend and participate in last year's Spring Conference, Summer Rendezvous and Fall Conference. Being part of the monthly Bridge meetings has been quite an enlightening experience for me. It has been very encouraging to learn from the Commanders meetings what the squadrons are working on to keep the organization moving forward. Job well done all.

I would like to thank each and every one of the members of the D/5 Administrative Department for the fine work they have done and continue to do in Navigation, Operations Training, District Meetings and Rendezvous, Photography, Squadron Publications and Snyder Award, as well as the Mark 5 Editor and Readers. They have all made invaluable contributions to make our District one of the best performing in the organization. I owe them all a huge debt of gratitude. I would be remiss if I did not take this opportunity to offer a special word of thanks to the D/5 Assistant Administrative Officer. She has been especially kind and helpful, reaching out to advise and assist me in more ways than there is time to discuss. I am much obliged to the entire D/5 Administrative Department.

Commander Hammett, this concludes my report.

Respectfully submitted,

*Cdr Denise Robinson-Hart, S*
