

# 2026 D-5 Secretary's Report

All assignments in the 2025-2026 Secretary's Department are current.

I attended the 2025 Spring Council, Conference and Change-of-Watch in Ocean City, MD, the 2025 Summer Cruise and Council Meeting at Smith Mountain Lake, VA and the 2025 Fall Council and Conference in Lancaster, PA and will be attending the 2026 Spring Council, Conference and Change-of-Watch in Ocean City, MD. I have also attended, via Zoom, the monthly meetings of the District Five Bridge and the District Five Squadron Commanders.

I would like to thank the entire D-5 Bridge, the members of the Secretary's Department and especially District Commander Bill Hammett, Past District Secretary Pennington Hess and my wife, D/Lt/C Denise Robinson-Hart for all of their help. It has been over thirty years since I was a Squadron Secretary and most of the little that I still remember from that time is now obsolete, anyway. I am looking forward enthusiastically to the coming year.

Respectfully submitted,

D/Lt/C Alan R. Hart, AP  
D-5 Secretary
