9. SEO Training/Meeting April 9 - 1600 - 1730
 - a. Run by Joe Gibson FCC Online ID of "Joe715"

We will not be able to conduct an award ceremony this year. Awards will be published in the Mark 5.

Items to be voted on during the Conference

1. 2021 D5 Bridge slate
2. 2021 budget
3. Proposed Squadron DBA names
4. Approval of the dissolution of Miles River SPS and Salisbury SPS

Voting procedure - Squadron Roll Call will be conducted to establish a quorum. Each squadron may designate up to 4 delegates who **MUST BE PRESENT**. Other voting delegates include the D5 Bridge, PDCs and District committee chairs. Each item to be voted on will be brought forth separately. Therefore there will be 4 separate votes. Only NAYS will be called for and those voting "NAY" will be tallied by name. Those not voting "NAY" will be assumed to be voting "YAY."

If there is unresolvable disagreement over this process, or a particular item to be voted on, or if we are unable to conduct the process due to the technicalities of the virtual environment (persistent open mike, feedback, etc,) then voting will be tabled until a face to face conference can be held. We will move on to the CoW.
