Subject: District Educational Officer Report to 2025 Spring Conference

The District 5 Education group is actively engaging with the Squadrons in supporting their classes. We have conducted a zoom meeting to discuss updates to the course catalog and ways to share resources among SEOs.

ADEO Michael Maszczenski is continuing to teach a Instructor Development class, please contact him if you have members interested in taking this course in the future.

I wish to thank the Cambridge, Wilmington, and Deligh Squadrons for the hospitality in hosting me for their events.

The 2025 Fall Education Conference will be held 6-7 November at the Doubletree in Lancaster, PA. If you have ideas or suggestions for sessions, please contact Jim Zeigler or ADEO Mike Maszczenski.

Respectfully Submitted,

D/Lt/C John O'Reilly
