*Delhighlights* is the official publication of the Delhigh Power Squadron, a unit of United States Power Squadrons®, **District 5**, and is published bi-monthly.

Editor: Kathleen Nowroozani, SN

Most squadron meetings are held monthly at :

Star of Bethlehem Lutheran Church  
514 3rd Avenue  
Bethlehem, PA 18018

Delhigh website: [www.delhigh.org](http://www.delhigh.org)

D/5 website: [www.uspsd5.org](http://www.uspsd5.org)

USPS website: [www.americasboatingclub.org](http://www.americasboatingclub.org)

The 2019 District 5 Spring Conference Committee is already hard at work preparing a fun and exciting event. Once again we will be at the Princess Royale in Ocean City, Maryland and we will be offering all of the usual classes for officers as well as those with other squadron jobs and duties. We are looking forward to coordinating with our squadrons that host hospitality suites so they have everything they need to wow and amaze us as they do every year. We hope that you make time to stop by the raffle table. We already has some great donations promised but can always use some more. We encourage you to donate an item to raffle off or have your squadron put something together to donate so that you can stop by and see how well your item is doing while bidding on your favorites and maybe joining in on the fun of the 50/50 drawing!

You will want to join us for the Spring Council Meeting on Saturday to make sure that your squadron is represented and accept any awards that you, your squadron or your squadron members might have earned over the previous year. The weekend will come full circle from this amazing year when D/C Brad Humphrey, JN is honored and thanked for his service over the past four years he has served on the District 5 Bridge with dinner and closing remarks, not to mention more awards and some P/D/C fun! This is also the beginning of the year for our current executive officer as D/Lt/C Walter K. Neese, SN is pledged and ready to greet his District 5 members with a reception before everyone heads back home Sunday morning.

This event is always a great time to get together with friends that you have made in District 5 and to make some new friends. There are many activities throughout the weekend to enjoy and everyone always seems to have a good time.

The registration form is on page 15 and at [www.USPSD5.org](http://www.USPSD5.org). As always, if you have any questions or concerns feel free to contact me, P/C Kathleen Nowroozani, SN at [k.now@mac.com](mailto:k.now@mac.com). We are looking forward to seeing you in March!

Fran Montuori, SN is Delhigh Power Squadrons newest member. As a member of Northern New Jersey Sail and Power Squadron since 1964 Fran has been an associate member of Delhigh for many years now, only recently transferring his home squadron to Delhigh. Though Fran originally took Piloting in 1964, his love of Piloting lives on as he helps to teach our new piloting students, including the class that is currently learning.

When Fran was a young man, he had a friend, Noel Otto, whom he helped build a boat from scratch that they called Banshee, which they put a new Chevy Corvette motor on. It had way too much horsepower for the little sixteen-foot boat but the real story is the gas tank, I suggest asking Fran about it some time. He spent so much time working on and riding in Banshee that he joined the power squadron, where he and Diane started taking the basic boating courses. While a member of Northern New Jersey Sail and Power Squadron, Fran took all of his advanced courses and was the Squadron Educational Officer.

Fran began his career with Western Electric Defense Activities Division in December of 1959 working at 120 Broadway in Lower Manhattan in New York City. When that division transferred to North Carolina in 1968 Fran transferred to Bell Laboratories in Whippany, New Jersey. After the SALT treaty with Russia, the US Government cancelled the contract with Western Electric to make the guidance system for the Titan 1 ICBM and Fran was transferred to the Western Electric Plant in Allentown in November, 1973. At

that time, after college, Diane was home raising their three children. When the piano teacher was too busy to take their daughter as a student for the next several months Diane started teaching her until the instructor they wanted had a spot for their daughter. A neighbor found out about this and asked Diane if she could teach their daughter, as neither she nor her husband had the time since both of them were working. Diane has had many students over the years, as many as thirty at a time and continues to teach a few students to this day.

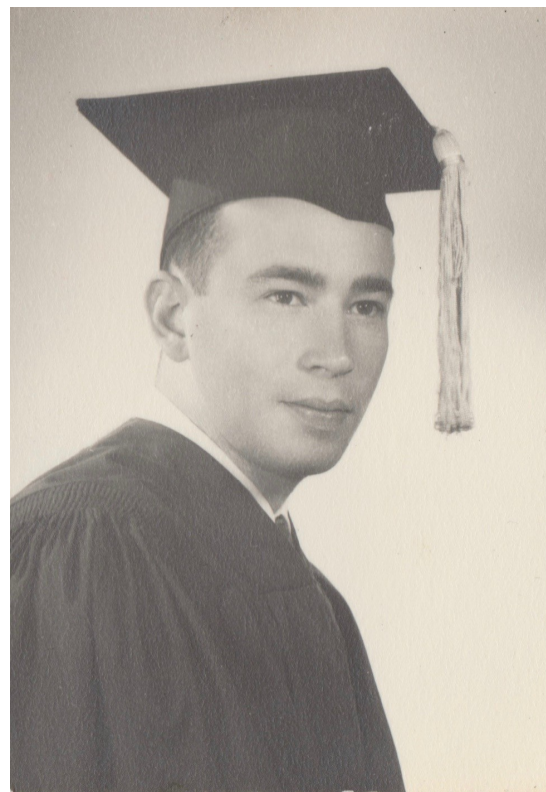

(Continued on Page 3)

Fran grew up on Gregory Avenue in West Orange, New Jersey across the street from his now wife Diane. Fran and his twin brother were friends with the two youngest of Diane's three older brothers. They were close as they grew up together and one night as Fran was winning at poker in Diane's basement she happened to walk downstairs just as her brother needed more collateral to add to the pot. Diane's brother bet her and lost that hand and Fran "won" Diane. They went on a date to the movies to see Shark Hunters, after much convincing from Diane's brothers to her parents that Fran was a stand-up guy, worthy of dating their sister.

Fran achieved his SN by taking the United States Power Squadrons® elective courses with Delhigh in the 1970's and became a life member in 1993. Fran currently has forty-eight merit marks, and we would like to thank Fran and Diane for all the support and friendship that you have both given to us at Delhigh throughout the years.

Photos: Page 2 top to bottom: Fran and Diane on their wedding day; Fran and Diane celebrating their 55th Wedding Anniversary.

Page 3 top then left to right: Fran's high school photo; Fran with his father, grandfather and brother; Noel's boat Banshee; Fran napping with the cat.

# Holiday Party

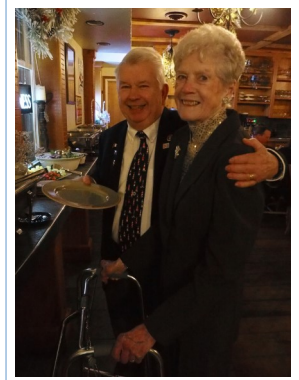

Delhigh Power Squadron

Delhigh held our Holiday Party at the Red Stag Pub, in Bethlehem, Pennsylvania on 8 December 2018. The event was attended by 20 members and guests. D/Lt/C Mel Shralow, JN was our District 5 guest. We thank you for attending our party. The center pieces supplied by P/ C Micheal Lebeduik, III, were the perfect touch to the tables. The cocktail hour and appetizers were a great hit with all. Everyone enjoyed the dinner and dessert. The staff was very attentive to our needs and very professional. The Pollyanna gift exchange was a fun time, with gifts changing hands so often it was hard to tell who had what until it was all over.

We collected Toys For Tots; thank you all for your generosity. The Marine Corp. collected over 80,000 toys this year in the Lehigh Valley to which I am proud Delhigh was a contributor.

By: Cdr Keith Knoblach, AP

Chris and Ginny.

Nikki and Kathleen.

Keith and Kim enjoying appetizers.

Brent and Jane.

Ed and Eileen.

Ashley and Steve.

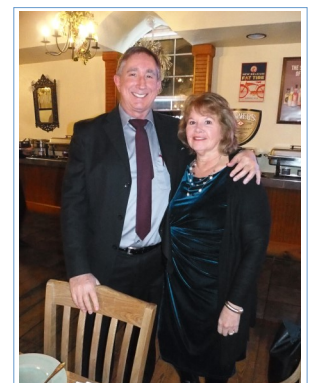

Bob, Jeanette and Randy.

Mel and Chris.

Doug, Kathleen and Cyrus.

Doug and Kathy.

Mel, Doug and Bob.

# Holiday Party

The group from one end of the table.

The group from the other end of the table, why are there past commanders at every corner?!?

Toys for Tots donations.

Cyrus starts with the Jim Beam, but he did not take it home.

Bob got some Delhigh goodies, that he did not take home.

Kathy did not go home with these candles either.

Looks like Bob has some wine this time.

Nikki stole my vodka, but the joke was on her because Ginny took it home!

Eileen opened some bags and platters that she was lucky enough to take home.

Though the cookie crumbled many times, there was unfortunately not a good picture. Oh well, there's always next year!

# PHANTOMS GAME

Bob and his neighbor Keith, Jeanette, Randy and Gary.

Melvin entertaining the crowd!

Commander:

Keith Knoblach, AP

Executive Officer:

Robert Rendish, P

Educational Officer:

Doug McKenzie, JN

Administrative Officer:

Gary Corcoran, JN

Secretary:

Jeanette Meisner, AP

Treasurer:

Michael Lebeduik, III, JN

Respectfully Submitted:

Delhigh Nominating Committee

Commander's Corner  
Cdr Keith Knoblach, AP

Delhigh Power Squadron

Educational Officer's Report  
Lt/C Doug McKenzie, JN

The holidays are over and it's time to slow down and enjoy this time with friends and family.

The Holiday Party at Red Stag Pub, was a great success, with D/Lt/C Mel Shralow, JN to whom I thank for his words of praise and encouragement to Delhigh.

The Safe Boating Class, taught in January, had students who were very interested in learning and eager to be safe boaters. This I contribute to our instructors, who make it interesting and fun, in the way they teach.

The Executive Committee Meeting, hosted by Lt/C Gary Corcoran, JN was a success as we got our entire 2019-2020 calendar of events planned. Your bridge is hard at work getting all of the details set for a fun year.

I hope everyone who attended the Phantoms Hockey Game enjoyed it as much as I did. There was lots of excitement with the Phantoms winning the game, 3-2 in a shootout.

I am looking forward to seeing everyone at some of our future events, especially the graduates of our boating class. We welcome you and your family and hope that you will join us at an event soon. Feel free to reach out to me or any member of the bridge if we can help you in any way. Contact information is on page 6 or at [Delhigh.org](http://Delhigh.org).

This time of year can be hard to handle with cold temperatures, snow and ice. Be safe and enjoy yourselves throughout the winter months. Delhigh is always active this time of year and we look forward to you joining us!

Ahoy Mates! I have some great news from our recently completed Pennsylvania Safe Boating course. The following 16 students graduated; Maxim Bondar, Mark Dlugas, Mary Lee Sebring, Juan Cruz Jr, Bogdan Yurchishin, Carlos Guelen, Theodore Phillips, Karlana Phillips, Trey Dogmantis, Dale Bernhard, Francis Cullen, Laurie Brink, David Brink, Frank Lamotta, Cindy Lieto and Samuel Badillo Sr. They scored very high on the test and interest is high in taking more classes. I'll be scheduling the new Boat Handling class very soon! I'm really excited to get this class started!

Our Piloting class is underway and going well also. Things are looking very bright for Delhigh right now! It's such an exciting time to be a member of The United States Power Squadrons®. The national education department is updating all our classes and writing many new seminars. There's never been a better time to learn more about our passion, going boating!

Even us seasoned boaters can learn new things, it's time for all of us to take advantage of the opportunities given to us! Please contact me if you would like to have a specific class or seminar added to the upcoming line up or if you have any questions about online courses and the national level.

Administrative Officer's Report  
Lt/C Gary Corcoran, JN

Delhigh's annual Holiday Party was, as usual, a big hit enjoyed by all. The cookie crumbled a few times during the Pollyanna Gift Exchange, but it was all in good fun! Our January Salad or Soup Delhigh Meeting at the church shared some great salads (especially the chicken salad), and very tasty soup! Thanks to all the food providers!

We have Operations Training coming up, and EVERYONE is invited to attend on Saturday, 2 February at the Nowroozani residence from 1400-1700.

The Founder's Day Meeting and election of next year's officers is going to take place at Chess and Checkers in Allentown, where we have previously enjoyed some very good food.

A new addition to your calendar is Game Night at the Meisner's on 16 February. This is always a good time so RSVP today!

As in past years, we will have a good time during the winter too, and enjoy bowling at the Hampton Lanes in Northampton. This year we will be meeting on Saturday, 23 February at 1100.

Don't forget our big event of the year and join us for our annual Change-of-Watch! We will be at Addagio Seafood Restaurant 9 March this year and the food choices sound amazing so make sure you join us!

As always, check the Delhighlights individual invitations for details and check out our updated calendar for the year on page 18 for all of our upcoming events. You can also get details on your computer or phone at any time at [www.delhigh.org](http://www.delhigh.org).

Like us on Facebook!  
Click below:

VSC Safety Corner  
By: P/C Michael Lebeduik, III,  
JN

We hope that you have a plan to tackle the things that need to be updated, repaired or refreshed for the upcoming boating season. It is right around the corner, only two months away. That time will go by fast.

Don't forget to schedule a Vessel Safety Check when your boat is ready. We have the 2019 Decals distributed to your VSE's. They are just a call away.

With the weather being unpredictable, now would be a good time to take a class online.

Now is the time to take a refresher course or maybe a new course.

Have you looked online at the many courses offered by [The United States Power Squadrons®](http://TheUnitedStatesPowerSquadrons.com), [American's Boating Club®](http://AmericanBoatingClub.com)

happy  
birthday

1 February P/Lt/C Bea Norris, P

1 February P/C Kathleen Nowroozani, SN

## 2019 Annual Meeting

Monday, 18 February 2019 -  
Sunday, 24 February 2019

Orlando, Florida

MEAL RESERVATIONS OPEN

[To begin your online reservation - click here](#)

Save the date and attend the Annual National Meeting in Orlando, Florida. There are so many fun things to do and opportunities to see what other squadrons are doing that is working for them. Here are just a few of the events planned:

Al Capone's Mystery Dinner Theater

Titanic Artifact Exhibition Guided Tour

Blue Man Group Performance

Leu Gardens Self Guided Tour and Lunch

Rosen Kitchen Tour

Plus there are many opportunities to have lunch and compare notes with members from other squadrons and Friday morning Judge J. Douglas McCullough who Co-Authorred "Sea of Greed", a true story of one of America's drug raids, is speaking.

So many unique activities are planned and you can bring some great information back to your squadron! Sign in and take a look at the website for more information. # Boatyards in winter

Stay safe while checking on your boat in the off-season

Many of us make regular pilgrimages to visit our boats on the hard at local boatyards. *The Melodic* stays in the water all winter on the Branford River, and I spend many hours onboard to assure it (and myself) that warmer sailing days are ahead.

A boatyard in winter is a beautiful experience, and I encourage you to visit your boat. However, the ice and cold can be particularly dangerous near the water, so here are a few things to remember:

- Negotiating an icy ladder to get aboard a boat on the stands can be really tricky. If you are not sure it's safe, spend your time examining your boat's bottom and below-water gear instead.
- Boatyards are usually quiet, abandoned places in winter, and you will most likely be the only one there. If something goes wrong, yelling for help won't cut it. Make sure you have your cell-phone with you, and let someone at home know where you are and when you expect to return.
- If you do venture out on to the docks, you *must* wear a lifejacket. Falling into the drink is not fun at any time, but in winter, hypothermia can make it fatal. There's a small cove on the East River that, given a peculiar combination of eddies and currents, always traps the winter flotsam from western Long Island Sound and the Harlem, Hudson and East rivers. Every year, more than a few bodies are recovered, boaters who slipped off their docks or fell off boats into frigid waters.
- Taking an afternoon snooze aboard a floating boat in winter is one of life's great joys, but anyone who spends time aboard and uses a space heater needs to exercise great caution. If you have a radiant heater that works like a toaster with bright orange filament strips or if your heater stays on when tipped over, donate it to the nearest dump. These heaters are lethal on a boat. It's best to buy a small, inexpensive ceramic or oil-filled radiator for use onboard. Keep in mind that no heater is fully safe, and fire is always a possibility. Keep your fire extinguisher at hand. Find out if your marina bans heaters of any kind. Your insurance won't cover any damage if that's the case.

—Daniel Fannon
