Fall Conference Has it All!

Discover what cruisin' is all about as you take a two or three-night sail on board the USPS Cruise Ship *Arlene* for a scholarly voyage through USPS University. Fall Conference is coming your way 1- 4 November 2007 at the Princess Royale Hotel, Ocean City, Maryland.

Mix and mingle at Friday's social and swing to the music of the "Smooth Sound" Dance Band, recreating the sounds of the 30's and 40's. Saturday's traditional Educational Expo is giving way to an On-Board Open House with opportunities to explore more of the new USPS University offerings and get some hands-on computer skill-building.

You'll want to be there!

Smith Mountain Lake Celebrates 36 Years of Service

The Smith Mountain Sail & Power Squadron just celebrated its 36th year with a cookout in Penhook at the lake on Saturday, 2 June 2007. The Roanoke Valley and Lynchburg Squadrons merged into one squadron by keeping the Roanoke squadron's charter, which dates back to 1 June 1971, making this their 36th year. The weather was beautiful for the occasion.

P/D/C Kay Simkins, AP, and D/Lt/C Robert Palmer, SN, (and their spouses) represented D/5 at the celebration and brought information on new boating techniques for the education program.

Remember the Sail Regatta, 5-7 October in Cambridge, Maryland.

Registration information on the website at www.uspsd5.org

Summer time – we wait months upon months for the good old days of summer and then they pass by so quickly. We are very fortunate that we can boat on into the fall months here on the Chesapeake Bay.

This is the time of the year that we can practice what USPS is all about and enjoy our families and friends with the many on-the-water activities. The D/5 Summer Cruise went well with 25 boats participating throughout the cruise which continued into Crisfield, Maryland, with a total of 51 boats joining the D/5 Summer Council and Rendezvous. These events just don't happen. It takes many volunteer hours to coordinate the cruise and host the district summer event. A big thanks to P/C John Wilmot, JN, and Cdr Tom Reichard, AP, for coordinating the cruise, and to the Ocean City Power Squadron for stepping up to host, and to all the members who came out in force to see that all the details of the weekend events in Crisfield came off with no problems. The weather was great. In fact, the morning of the flag raising was a little bit chilly. We all know that Father Lou prayed for the best weather ever for July.

Since summer is our most active boating time, we should all be reaching out to our fellow boaters at the marinas and boat ramps and telling them all about USPS. What better time to do our public relations work, membership recruitment, and member involvement? Stop and think about what your squadron has given to you in the way of boating education and fellowship. Why not consider letting others know about your squadron's activities and maybe you can get them to join your squadron. Membership recruiting is easy; just contact your squadron membership chair to get the necessary dues structure, USPS benefit literature, and application. Carry a copy on the boat or in your car at all times. I think D/5 is on the right track but we must continue. At the summer council we presented Power of One pins which represented 31 new members to USPS and D/5. Getting the fellow boater as a member of USPS is just the beginning. You must then get new members involved with the squadron's activities. I truly believe that an involved member is a happy member and someone who will continue to renew his membership. Keep *District 5 On Course* by being an active USPS member.

Another aspect of an active member is keeping up with the new initiatives that are continually coming from HQ. You should note in this publication the D/5 Fall Conference schedule of events has been finalized. The DEO has spent many hours getting seminars and exhibitors together to put on the best show in town the weekend of 1- 4 November 07 in Ocean City. Mark your calendars and plan to join the involved group at District 5 for an educational and fun-filled weekend.

Continue to enjoy the boating season and always put boating safety at the top of your agenda.

~Arlene M. Anderson, AP
District Commander

Cruisin' With Education

Membership is still the most important part of our educational efforts. It is critical that we are able to use every possible approach to gain new members and sustain the current ones – and our educational opportunities are being enhanced to make that possible. The new “USPS University” is providing excitement and flexibility to demonstrate to our members and the boating community that we are changing to meet their needs in the current environment. New District 5 PR items are being prepared to provide additional options to communicate these new approaches.

Fall Conference

You will want to be part of the 2007 D/5 Fall Conference planned for early November. You will interact with Assistant National Educational Officer, V/C Robert Sweet, SN. Bob will be the Chief Commander’s representative and will also be part of our educational sessions. You will get an excellent first-hand update on the plans for increasing the use of education to excite our members and the boating public.

Fall conference provides more fun and fellowship and more sessions and seminars for everyone than any other gathering we have. The cruise ship *Arlene* will be setting the stage for the weekend. Sign up now! You will find detailed information beginning on page 4 for registration and schedules.

Boating Course Records Have Gone “Paperless”

As more and more states pass laws requiring specific levels of course completion, or knowledge demonstration, it is increasingly important that USPS maintain an accurate, active archive of all those who have completed our courses, for retrieval even years after a class was completed. Every squadron will now report the class roster and completion information using on-line tools to facilitate accurate and timely reporting of each successful student’s record into the national database. Paper submissions are no longer being accepted. Not only is this a labor savings to the headquarters staff, but if on-line registrations are used, it is also a great relief to the squadron course personnel to not have to type every student’s records into other tools to make class rosters, print certificates and wallet cards, and answer requests for certifications of completion to satisfy individual state requirements.

Boat Operator Certification

This new program is gaining interest from many other boating organizations. As the message of BOC is carried outside of USPS, there is high potential for new members to be gained from those in other groups seeking the skill demonstration credentials available to every squadron. The initial cadre of certifiers is undergoing preparations to assist the local units in documenting current skills via waivers, and developing the next steps in achieving the Inland Navigation level.

We Know Life Jackets Save Lives!

Recent evaluations of the boating fatality reports have convinced the US Coast Guard that more needs to be done to educate boaters to achieve the needed reduction in casualties. The USCG Recreational Boating Safety Program has developed a new mission statement: “To insure the public has a safe, secure, and enjoyable recreational boating experience by implementing programs that minimize the loss of life, personal injury, and property damage while cooperating with environmental and national security efforts.” While the emphasis in recent years has focused on knowledge of PFDs, the new direction being implemented will seek to increase the percentage of adult wearing life jackets by at least 3% per year and will also more closely track boater basic and advanced education in both classroom and on-the water skill courses. The goal is to achieve a 5% annual decrease in the number of casualties. Since we do have a role in making these successes a reality, our approach to the public education courses is an important means to communicate in even stronger terms how valuable the wearing of life jackets is in preventing loss of life. Note the return of the term “life jacket” as being more meaningful in the education process than the legal term “PFD” currently found in the regulations. What we do in teaching boating safety to the public will be even more important and valuable – so keep on improving what we do.

Still Cruisin' with Education,

~D/Lt/C Robert Palmer, SN
District Educational Officer

Tentative Summary Schedule
2007 Fall Conference 1-4 November 2007
Princess Royale Hotel in Ocean City, MD

Uniform of the Day:

Friday – USPS/Squadron shirts.
Saturday – Uniform G (short sleeve shirt, dark slacks).
Banquet – Uniform A with bow tie.

Princess Royale Hotel
 9100 Coastal Highway, Ocean City,
 Maryland - Non-smoking & Handi-
 capped Rooms available on a request
 basis.

D/5 2007 SUMMER COUNCIL AND RENDEZVOUS

D/C Arlene Anderson, AP, leads the Council meeting.

More than 170 D/5 members and guests (including USPS C/C Ernest Marshburn, SN, and his wife, Dianne) and about 50 boats began arriving on Thursday, 19 July around noon at Sommers Cove Marina. We were greeted by Ocean City Cdr Fred Stiehl, P, and his squadron members, all dressed in yellow shirts embroidered to commemorate the event. All the boats were safe and tied down before the late afternoon rainstorm came and washed the last of the salt away, and best of all, ushered in a cold front that created a fantastic, sunny, unseasonably cool Crisfield for the whole weekend.

Friday's activities included bridge and nominating committee meetings, a dinghy poker run, children's activities, navigation contest captain/observer's meeting, the D/C's cocktail party, and a picnic dinner in the pavilion. Yes, Sourpuss was in attendance. Friday afternoon featured a Town Meeting, conducted by C/C Marshburn where he presented and described the new leadership paradigm being initiated by National USPS. It was an informative presentation and included a very candid question and answer session.

Everyone was up early on Saturday for the catered breakfast, nav contest captain's meeting, and the Flag Raising ceremony. The Council Meeting convened at 0900 and ended in the nick of time for the nav contest contestants to get underway and for other people to take the boat excursion to Tangier Island. It was a little bumpy and fly infested out on the water, but all 12 boats returned in time to wash down and clean up for the crab, fried chicken and corn feast. The highlight of the dinner was a video show of the 28 boats that participated in the five-day D/5 Commander's Cruise prior to the council meeting. P/C Jackie Carugno, S, Absecon Island, produced this professional and entertaining show, using pictures taken by herself, D/Lt Michael Lebeduik, P, Delhigh, and D/Lt Gail Becker, S, Patapsco River, and adding appropriate music. D/Lt Bob Beltz, AP, Hampton Roads, presented the awards for the navigation contest and D/Lt Tony Smith, AP, Ocean City, presented the awards for the Dinghy Poker run, in which five boats were entered. The ride for those boats to collect their poker cards on Friday afternoon was daunting, but everyone returned safe and wet, but happy. The best poker hand was drawn by P/C Ray Reuter, AP, Rappahannock, and the worst by D/Lt Bob Hannabery, AP, Delhigh. Winners of the Youth Poster Contest were announced by Cdr Guy Thompson, AP, Patapsco River.

Bob and Joan Hannabery and Jeanette Meisner (Delhigh) set out for the poker run.

On Sunday, after another catered breakfast, we all departed for home, with about 20 boats stopping at Herrington Harbor South for Sunday night. The day was beautiful – sunny, breezy and cool – but the water was wet, wild and nasty, rendering the boats as wet and salty on the inside as they were on the outside by the time they docked. But the camaraderie, beautiful flowers and landscaping of the marina, the big pool, and the free freshly baked pastries delivered to each boat by the marina made it all worth while.

If you weren't there, join the group next year. You'll have a wonderful time and make some great new friends.

**MEET OUR ASSISTANT ADMINISTRATIVE OFFICER
D/1st/L L. CHRIS BROWN, JN**

Our new Assistant Administrative Officer, L. Chris Brown, JN, began his boating experience in a rowboat on his family's back yard lake at age 9 and continued until motors became a bit more exiting. In 1979 after his automobile craze became boring, Christopher purchased his first motor boat - a 21-foot cuddy cabin IO - and began his exploration of the Chesapeake Bay. Over the years he has gone through the usual progression of "inch by inch" growth and is currently the captain of a Carver 406 Aft Cabin.

Chris had a professional life staying with one company with various engineering and project management assignments for 39 years. He is now retired from Agere Systems, which was previously Western Electric, AT&T, and Lucent Technologies. They really did keep him all that time. He earned his undergraduate degree at Albright College in Reading, Pennsylvania, in math and physics and his Master's degree from Penn State in engineering science. His current hobbies include golf, viewing sports (Eagles and Philly's), gardening, ice-skating, and he still loves managing his investments and following the business economy. For many years, being active in sports was a big part of his life. He coached youth Little League football and baseball, and he didn't quit playing softball in various leagues until he was 55.

Chris, and his wife Ginny and most of their family live in Allentown, Pennsylvania. He is a past commander of Delhigh Power Squadron. He teaches Seamanship and Piloting and serves on the Executive and Past Commanders committees. Last year he was D/5 Chairman of Membership Involvement.

He and Ginny keep "One Moor Time" at Haven Harbour Marina in Rock Hall, Maryland. They cruise all over the Chesapeake Bay and enjoy traveling down the ICW and wintering where the weather is warmer. Through the years Chris has done "bareboat chartering" in many places. Probably his favorite destination was the BVI's, where he has visited 10 times. For the past three years Chris and Ginny's favorite boating excursions on the Bay were the cruises to the D/5 Summer Council meetings. As he says, "It gets bigger and better every year, especially with all the great people involved! Come join us and enjoy the fun in boating."

**Evelyn Kirts, Micky McNelis, P, Mary Palmer, P, and
Connie Barry, JN at the Commander's Reception.**

**Cdr Tom Reichard, AP, and Cdr Michael
Lebeduik, P, serving drinks at the
Commander's cocktail party.**

EMERGENCY MEDICAL INFORMATION CARDS AVAILABLE

Emergency Medical Cards were provided to most Squadron Commanders as part of the District's safety promotion. The cards provide space for medical history, medications, doctors' information and contacts.. Get one for yourself and carry one with your spouse's information. Ask guests on your boat to fill out one so you are prepared for any medical emergency. They are funded through the Golden Rule Education Grant to the District. Those handed out were part of an advance shipment. Our goal was to hand them out to everyone attending.

The balance of the shipment is here and available to your squadron. Email Carole Tulip at c2lip@aol.com to get your supply.

We anticipate printing cards suitable to be handed out to the public to boat shows and other events.

Summer Council Navigation Contest - Official Results

District 5 Navigation Contest Commander's Trophy - lowest team error

- 1st Delaware River (error = 1:01) JR's Toy, Lady Jean, Caral IV
- 2nd Dundalk (error = 1:56) Battlewagon, Rat Ark
- 3rd Nansmond River (error = 3:38) Cherlin, Destiny

Dupont Trophy - individual first-place winner.

- 1st JR's Toy (0:02 Early)
 - Captain – Fred Shallcross
 - Navigator – Harvey Klamp
 - Observer – Doug Landau
- 2nd Caral IV (0:37 Late)
 - Captain – Alex Reilley
 - Navigator – Ted Whitney
 - Observer – Howard Gassaway
- 3rd Rat Ark (0:38 Late)
 - Captain – Walter Neese
 - Navigator – Lois Nehmer
 - Observer – Ken Finck

The WJZ Trophy - lowest average finish-time error for all boats entered from that squadron.

Delaware River (1:01)

The CBYCA Trophy - the individual with the lowest finish-time error among all contestants who are members of a Chesapeake Bay Yacht Club Association affiliated club.

Rat Ark (0:38 Late)

Passing the review boat.

The Bridge is hard at work - even during the navigation contest!

36' 1980 MONK TRAWLER FOR SALE
 36' X13' with Perkins M225Ti diesel (new 06/01)
 and hydraulic Dickson stern thruster
 docked in Rock Hall.

Double cabins with 2 shower/tub/heads,

Summer Council and Rendezvous

Helen Kelly of Northern Neck accepts the Winning Hand trophy for Ray Reuter.

C/C Ernie Marshburn addresses the Town Meeting..

Ernie and Dianne Marshburn relax after some crab pickin'.

Power of One awards were made to Cdr Douglas G. Landau, SN, (left) and to Cdr Howard Gasaway, P.

Kids' Korner

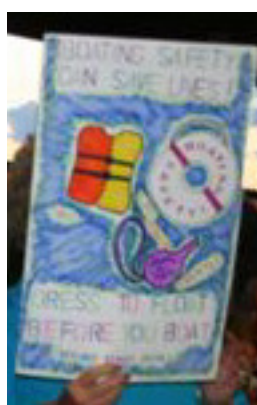

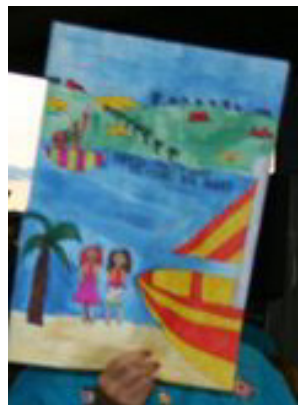

The D/5 part of the 2007 USPS® Youth Poster Contest is complete and winners sent on to the national competition. We had 16 entries this year. Each of them showed a lot of work and I was proud of each and every one.

The winners were:

| | | |
|---------------|-----|------------------------------------|
| ages 12 to 14 | 1st | Hannah Rogers, Northern Neck |
| | 2nd | Marquise Sanders, Mid Potomac |
| ages 9 to 11 | 1st | Emily Ferrel, Hampton Roads |
| | 2nd | Tiana Marie Estrada, Hampton Roads |
| | 3rd | Kathleen Murray, Patapsco River |
| ages 6 to 8 | 1st | Devin Sengpiel, Delaware River |
| | 2nd | Annetina Ralph, Hampton Roads |
| | 3rd | Nina Banzon, Mid Potomac |

Congratulations to the winners and a special thank you to all the other entrants. Everyone did a wonderful job, and I hope you all consider doing another poster next year for the 11th annual contest..

The winning posters
